**"Let's Practice Resurrection!"**

Pastor Kris Hertsgaard Kincaid

Christ is risen! Alleluia! We call every Sunday of the year "mini-Easter" as we celebrate resurrection and the living Christ, while the liturgical season of Easter lasts 50 days. This year the last day of Easter, Pentecost Sunday is June 8. During this season, we hear stories of people who directly witnessed the risen Christ, and these scriptures often tell of experiences where people see Christ, but do not fully believe. For early Christians and for us, within the joy and puzzlement the resurrection focuses on hope and new life in our lives. Learning how to recognize God's presence comes with practice.

Have you practiced today? Does this question bring hope to you, or memories of feeling interrupted when you were reminded to practice an instrument, a speech, or a sport? We know the importance of practicing to improve our skills. Just as we spend time practicing skill development, practicing faith helps us know God and recognize God at work in our lives. This Easter season, I invite you to intentionally look for signs of hope and new life in your life by "practicing resurrection." Practicing resurrection by using your five senses is one way to recognize God.

How do you see, hear, taste, touch, and smell God's presence? Take a walk in your neighborhood and notice the new life around you: see the tulips blooming, hear the birds chirping, taste rain drops on your tongue, touch the new life of a baby calf, or smell grass growing. This season brings new life, and it reminds us that resurrection doesn't happen overnight. Life always comes from death.

We are welcoming May; Sunday School and Confirmation are holding end-of-the year parties, and we will soon be celebrating our graduating seniors. As we move into summer ministries, we practice resurrection as we try new and enjoy familiar ministries. Several committees and teams are reforming, and they are bringing hope and new life to Christ Lutheran, too. I invite you to consider how you might share your time and talents with us as our summer unfolds. If we've already started working on something and it looks interesting to you - know that you are welcome to join in helping! If you haven't filled out our Things I Like to Do Survey, please do! It's online at [www.christlutheranpreston.org](http://www.christlutheranpreston.org) and available in the Narthex.

As Psalm 96 proclaims, "We are God's creation, and we are beautiful - just the way God made us to be." Practice resurrection! Pay attention to God's creation, filled with hope and new life.

Pastor Kris

### BIBLIOPHILOS with Pastor Kris

**Where:** B&B Bowling Alley

**When:** Friday, May 23<sup>rd</sup>, Friday, June 13<sup>th</sup>, and Friday, June 27<sup>th</sup> at 9am

What is bibliophilos? For us, it is a time to gather in God's presence for learning and friendship. In Greek, Biblio is a word-forming element meaning book, or sometimes Bible. Philos is an adjective for beloved, is related to the Greek verb "phileo", and is used to express a type of love characterized by friendship, thus bibliophilos! On these mornings we will "practice resurrection", opening space for hope and new life in our faith journey. On the first Friday, May 23, I will lead a devotion. As we meet, we will discern how to use this time. Come as you are able! Stay as you can! Are you new to Christ Lutheran ministries? Come and see! There is a place for you here. Reach out if you have questions.

### Sunday, June 8<sup>th</sup>, 9:00 am - Pentecost Sunday- Outdoor Worship & Blessing of the Bikes

The Holy Spirit is the living energy of God (which is love) in us. When we love, that's God doing God's thing. On this Pentecost Sunday, come and celebrate the energy of God's love spark a fire in us! Bring/ride your bike for a Blessing of the Bikes. Following worship, we will enjoy Mathison's ice cream and send off youth in grades 7-12, who are biking to the Old Barn for a fun afternoon of swimming (see information in Summer Youth Ministries). ## BUNDLES OF LOVE REMINDER

The Women's Fellowship group continues to collect baby items for Bundles of Love. Be on the lookout for items when you go to garage sales, etc. All collected items will be donated to the local Bundles of Love group in Chatfield. They work with Social Services in Fillmore, Houston, and Winona Counties to distribute bundles where needed. All clothes should be Size Premie to 6 months. Clothing can be gently used provided it is clean and in like-new condition. They also accept handmade items such as baby quilts, knit or crocheted items (i.e., hats, booties, sweaters). They make many of the items included in the bundles so can also use fabric (cotton, polar fleece, flannel, cotton, cotton blend knit), serger thread, and washable yarn of all weights (no wool/mohair). A complete list of needed items can be found on the bulletin board outside the church office. Donations can be left in the church office. If you would like patterns to make items at home (or if you have questions), contact Diane Johnson at (507)251-6922.

### **Thrivent Action Grant**

Have you heard of Thrivent Financial? If not, you have seen their generosity enriching and benefiting our congregation and community. Thrivent is a holistic financial services company that puts generosity at the heart of saving and investing.

### **Thrivent Generosity in Action at CLC**

One of Thrivent's streams of generosity is Thrivent Action Grants. You have witnessed these grants in action at Christ Lutheran in many ministries. You, a family member, or friend may have received a card from someone at Christ Lutheran, 2024 high school graduates got a care package from CLC youth and some elementary school children were given winter clothing or boots. These are a few of the many ways a Thrivent Action Grant has been accessed through members of Christ Lutheran to help us live generously in community. Action grants are made possible when Thrivent clients apply for grants for up to \$250 to host a fundraiser, educational event, or service activity.

**Thrivent clients receive grants for up to \$250 to host a fundraiser, educational event or service activity each year.**

### **How does one become a team member?**

- Thrivent offers an Associate Membership for \$19.95 per year for people to become members without a relationship to Thrivent life, health or annuity products. These clients may access one Thrivent Action Grant for up to \$250 per year.
- Thrivent Members who have purchased a Thrivent life, health or annuity product may qualify for up to two Thrivent Action Grants, each up to \$250, per year.

Information on how to become a Thrivent member or associate member is listed on their website. [www.thrivent.com/](http://www.thrivent.com/) The steps for applying for a grant are simple and the application is online. Your application will briefly describe the scope and mission of your project. In addition to \$250 in seed money, Thrivent offers T-shirts, nametags, thank you cards and other helpful resources.

Long-time Thrivent member Gail Bunge observes, "The impact of generosity is profound. In being generous, we shift away from the mindset of "me" and become a part of something much bigger than ourselves. Each of us can offer generosity of heart, generosity of love, generosity of soul, generosity of spirit. In being generous, we gladly give acts of charity without expecting anything in return. We can offer and share in selflessly giving of our time, our resources, our energy, our skills, our talents, our experience and knowledge." Recently, the financial generosity of Thrivent has provided money for the following ministries at CLC:

- \* Hat & Mitten Tree
- \* Christmas in Fillmore County
- \* Women's Shelter
- \* Bundles of Love
- \* Vacation Bible School
- \* Food Shelf
- \* Card Outreach
- \* Supplies/Crafts for Christ's Kids
- \* Care packages sent to 2024 HS Graduates as they began college or vo-tech
- \* 'Warm Clothes For Kids' - winter clothing, boots given to local school
- \* Child Care Center (supplies, toys, books)
- \* Christ Lutheran Craft and Bake Sale
- \* Garage Sale Fundraiser
- \* Happy Birthday Jesus (cake mix, frosting, candles)
- \* Caramel Roll Fundraiser

Bunge also notes, "The power of giving and volunteering are acts of generosity which can help us to build connections, create trust, bonds and relationships. Acts of generosity have the power and ability to transform lives, to make a significant difference. Both the giver and recipient are enriched, often yielding happiness, positivity and a sense of community and hope." As a community, we are called to live our "faith active in love." The legacy of Thrivent's generosity programs lives through the people of God of Christ Lutheran and those for whom we care.

I invite you to look into an associate membership or Thrivent financial product depending on your needs. It is amazing how the Thrivent Action Grant monies allow us to be creative, have fun, and lean into our call to love God and serve others. For more information, you may contact Gail Bunge 507-421-1444 or Carol Solberg 507-421-5901.

We thank Thrivent for their dedication to infusing financial services with generosity. This has been an integral part of the company's 120+ year legacy. In 2024 alone, Thrivent and its clients raised and donated \$331 million through the organization's generosity programs and volunteered 15 million hours toward community service.
